

The 2022 Trumbull SWCD Junior Envirothon and POWA Pymatuning/Shenango Watershed Challenge

Now – September 23rd

Register students as a team; Registration and release forms are available on the Trumbull SWCD website at

http://swcd.co.trumbull.oh.us/swcd_watershedch.html

Access Resources on Station Topics on Trumbull SWCD's Website; Teams will be tested in the following natural resource categories: Aquatics, Forestry, Soil, Watersheds (includes current environmental issue), & Wildlife (make sure the resources are under "2022")

Wednesday, October 5th

Attend the Jr. Envirothon & Watershed

Challenge Competition at the Trumbull County Agriculture & Family Education Center, 520 W. Main Street, Cortland, Ohio 44410

Competition Day

- 🌿 Teams of 3-5 students can compete; limit to 2 teams per school; contact Amy Reeher if your school plans to send an exhibition team
- 🌿 Make sure to register any students that could serve as alternates
- 🌿 Materials will be supplied (please do not bring study materials, etc. to the stations as that would be grounds for disqualification)
- 🌿 Please dress for the weather as the event is outside; consider wearing layers and sturdy, older shoes/boots
- 🌿 A light lunch is provided but teams are welcome to bring their own lunch/school provided lunch bags in place of the lunch or in addition to the lunch. Please let Amy Reeher know if you and your teams will not be eating the lunch.
