Trumbull SWCD Soil Health Cost Share Program No-Till Drill Practice

Program Purpose

This program is designed to encourage the adoption of soil health practices in Trumbull County. Soil health impacts water quality. Implementation of management practices such as no-till seeding and cover crops increases soil health.

Priority Applications

Will demonstrate that the field submitted for payment does not have a prior history of no-till.

Will be in a primary watershed or secondary watershed; Primary watersheds are those that drain into the Lake Erie Basin. Secondary watersheds are those that drain into the Ohio River Basin.

Priority will also be given to those fields within a 300-foot distance of waters of the state and identified wetlands.

Program Requirements

Eligibility

1. Tilled sites are NOT eligible.
2. The field(s) must be in Trumbull County, Ohio.
3. The application must be completed, signed, and submitted to be considered for payment.

Program Guidelines

1. The payment will be certified and released to the applicant after verification by SWCD Staff.

2. Applicants already receiving soil health incentives are eligible for cost share but may not be prioritized. (CSP, EQIP)

Payment

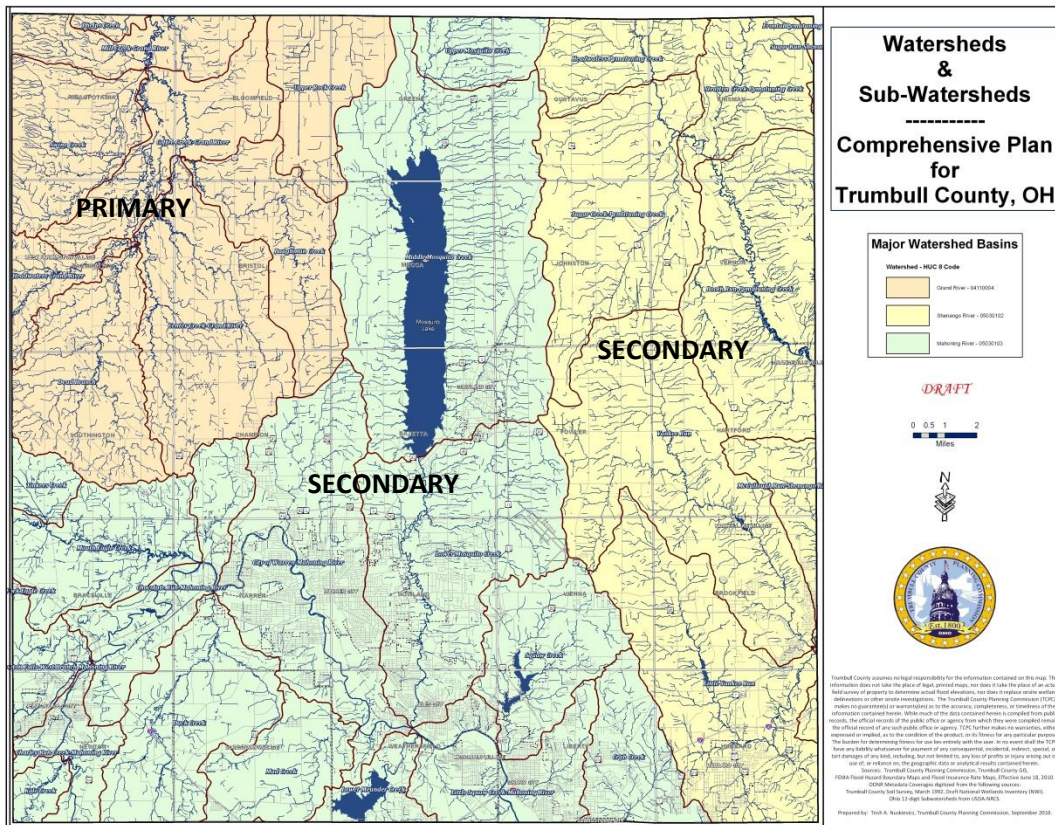

Payments will be made based on the following information

1. \$15.00 per acre
2. Up to 40 acres
3. Verification of application and practice

Program Implementation

1. Applicants will complete and submit any requested paperwork; applicants will allow District representatives to access the parcel.
2. SWCD Staff will provide verification. Trumbull SWCD Board will receive program update(s) and information for Board approval (as requested).
3. Applicants will be issued their payment after verification.

WATERSHED MAP – PRIORITY STATUS

Cost share is available on a limited basis. The Trumbull SWCD reserves the right to revise or discontinue the No Till Cost Share Program without prior notice.
